The Honorable Rick Keene
3rd Assembly District
State Capitol
Sacramento, CA 95814

Dear Assembly Member Keene,

Thank you so much for devoting a great portion of a Saturday coming to Sacramento to address CLFA on the occasion of our 25th “Silver” Anniversary Celebration. Your remarks and the presentation of the Resolution signed by yourself and Senator Aanestad were very kind and engaging. The fact that you come from Hayfork – and haven’t forgotten your roots – means a lot to this forester, as well as all of our members.

CLFA appreciates your support for our organization and the ethic of sustainable forest management. We look forward to partnering with you in the coming years to do everything we can to leverage a message of responsible stewardship and environmental excellence in Sacramento and throughout our Golden State.

Thank you again for your great speech and heartfelt efforts on our behalf.

Sincerely yours,

Chris Quirnbach, RPF #2623
President

Cc: CLFA Board of Directors.
Hazel Jackson, CLFA Executive Director.
Bill Key, CLFA Government Affairs Specialist.

The California Licensed Foresters Association, with approximately 750 members, represents the common interests of California Registered Professional Foresters. The Association provides opportunities for continuing education and public outreach to its membership, which includes diverse professionals affiliated with government agencies, private timber companies, consultants and the academic community. Governed by an elected Board of Directors, CLFA was established in 1980 after the passage of the landmark California Professional Foresters Law.
